First for SA - Honey Direct from The Hive Door

South Australia's own Hive Door is Open and Buzzing

This family owned business is located in the Adelaide Hills and produces hand selected and harvested honeys from a variety of locations across SA, and specialized regions of

Australia. In their unique new premises, Buzz Honey has now expanded from not only primary producing, packaging and wholesaling, but now they have their own retail space and education zone called the "Hive Door". And so much is on offer - free honey tastings for you to indulge in a honey and cheese experience, where they have paired the honeys with a variety of cheeses from Udder Delights. There is also a live observation bee hive in store that is home to 1000's of bees, which allows people to safely view the bees and watch them hard at work without having to put on a bee suit. It's another good news story about showcasing our beautiful produce. Buzz Honey is now located at 42 Mount Barker Road, Totness in the pristine Adelaide Hills.

What a great place to take any visitors during the upcoming holiday season.

Marino Uniforms is South Australian Owned and Operated. Thank you for supporting local business.
